Welcome to Port Edgar Marina

On behalf of the marina team I am delighted to welcome both our regular berth holders and all our visitors.

Phase two of the marina re-development is now well under way with a programme of refurbishment to 'The Sheds' to create new retail space, offices and workshops.

We also continue to work closely with Port Edgar Yacht Club and other stakeholders on the plans for a new 'Marina Hub' building and look forward to moving this project forward in 2016.

The season ahead has a busy programme of events, with regattas for all types of craft from coastal rowing skiffs and sea kayaks to dinghies and yachts. In May we will also be commemorating the centenary of the WW I Battle of Jutland, which has such close connections with the Royal Navy's former Destroyer Base at Port Edgar.

We hope you have a fantastic sailing season.

Russell Aitken *Managing Director*

Marina Information

Marina Office

The Marina office is open seven days a week from 9am to 5pm. You can contact staff on VHF channel 80, call sign 'Port Edgar Control'. For urgent matters you can also contact staff after office hours until 2030 on the emergency mobile number 07960 258 523.

Security

The general public has access to the Marina from 0900-2030. Duty staff regularly check boats at their berths, with discreet patrols made regularly throughout the night. Security can also be contacted during the night on 07557 432 161. CCTV surveillance operates within the marina, however

Port Edgar Marina Ltd cannot be held responsible for theft from craft stored either inside or out. We advise owners of boats with outboard engines to remove these whilst their boat is out of the water.

Pontoons

Our Pontoons are serviced with power and water. Life belts, fire extinguishers and safety ladders are sited around the Marina. The speed limit in the marina is 3 Knots.

Marina Information

Weather Forecast

An up to date local weather forecast can be found on the Marina notice board, with more detailed information available via Marine Call. For more information you can enquire at the Marina office.

Laundry

The laundry, adjacent to the trolley park, has a washing machine and tumble dryer which are operated by tokens available from the Marina office. Washing powder is also available from the Marina office.

Trolleys

Trolleys are parked adjacent to the laundry room. Please be considerate to other Marina customers and return the trolleys to the trolley park when finished. Please do not obstruct the walkways with trolleys or bags.

Toilets and showers

Toilets, showers and lockers are located adjacent to the Marina Office. There are hairdryers in the female changing rooms.

Fuel

Marine diesel is available during the office opening hours, from the Fuel Berth at the seaward end of the East Pier. In accordance with HMRC directives, all private boat owners must make a declaration at the Marina Office to state how they intend to use the fuel.

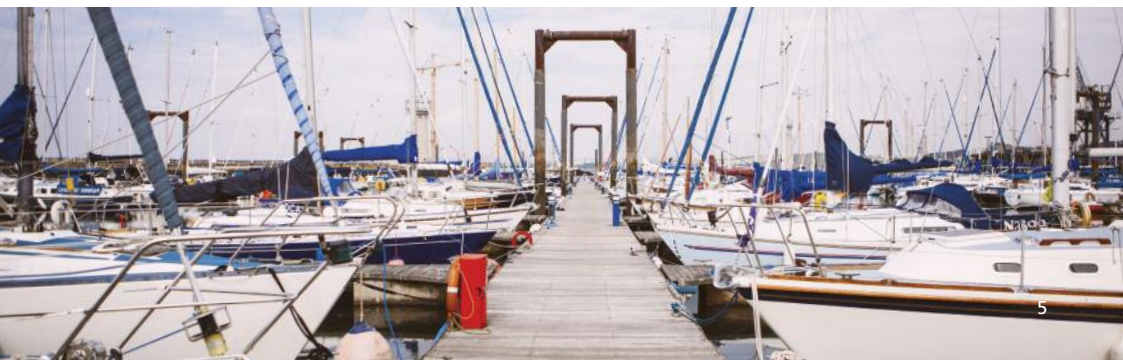

Waste and Recycling

The main location within the Marina for disposing of recycling and domestic refuse is on the pier in the bins outside the Loopshed. To supplement these there are further smaller bins for refuse and recycling around the site as well.

There are separate bins for general waste, dry mixed recycling and glass on site. There are also facilities for recycling boat batteries and oil. We are committed to promoting environmental awareness and good practice within the Marina and surrounding areas.

Parking

Car parking is available around the Marina with ample parking spaces for disabled customers located outside the main office.

Port Edgar Yacht Club

Port Edgar Yacht Club offers some of the best programmes of racing and cruising for yachts and dinghies on the east coast of Scotland.

If you don't have your own boat we can introduce you to boat owners looking for crew and have special dinghy hire rates with Port Edgar Watersports. The club also own two yachts available for hire to members and we organise sailing events almost everyday with the exception of Fridays, from April to August and every weekend from September to December. Come down and have a try and if you like it then join. There are discounts for first time members. Whatever your level there is something for everyone. Full details can be found online at www.peyc.org.uk

If you have any questions or need more information then just email peycwelcome@gmail.com.

We can arrange for someone to meet you on your first visit. With no joining fee, waiting list or interviews, it's really easy to join. If you would prefer to talk to someone then call Ian Hards on 07802 168 274.

Marina Services

Hoist/Manitou

Our Wise slipway travel hoist is capable of launching and recovering vessels up to 25 tons displacement. For smaller craft up to 3.5 tons displacement, and for mast stepping, we utilise a Manitou telehandler. We are happy to launch and retrieve boats without the need for owners to be present, as long as the office are provided with a set of keys to move your boat. There is no extra charge for this service.

Storage of boats – Indoor

We have limited undercover space which can be booked by prior arrangement and is subject to availability. Our sheds are equipped with overhead lighting and ample power supplies are available. No specific position or working space can be guaranteed and spaces are allocated on a first come first served basis. In the interest of safety, please advise the Marina office if you are carrying out any work to your vessel. If the Marina office is closed, please contact a member of Marina staff on site.

Storage of boats – Outdoor

Space is available for all craft. Owners can either provide their own cradle/trailer or we have a limited number of cradles for hire. While storage of cradles/trailers is free to customers who have taken a berthing contract, those without one will be charged. It is also advised that customers who have a cradle stored in the cradle park remove the props for safe keeping.

Please ensure the name of your boat is painted clearly on your trailer / cradle.

Storage of dinghies & small boats

Dinghies and other trailer based craft may be kept ashore in one of our dinghy parks. A flat rate charge applies to sailing dinghies or craft under 4.6m LOA which includes the use of the slipway.

All craft must be kept on a serviceable trolley to permit easy movement. We will attach a small tag to your dinghy trailer/trolley for ID purposes. Management reserve the right to move craft at any time.

Port Edgar Berth Holders Association

The BHA is primarily responsible for representing the interests of its members here on site at the Marina. Its constitution was set up on the model advised by the RYA and it continues its membership of this body for advice and support if required.

The BHA committee welcomes feedback and suggestions from its members. It will bring these to the attention of Port Edgar Marina Ltd, to provide an additional positive influence on the running of the Marina.

The BHA provides live weather information data plus a webcam view of water state and weather conditions at the Marina through its website at www.portedgarbha.org.uk

We hold a Boat Jumble Sale and our AGM in the spring, and throughout the year, we try to keep our members informed of matters of interest on the Forth.

Port Edgar Dragons

Aimed primarily at those recovering from cancer – and their supporters – the team was established in 2010 with support from Paddlers for Life, a UK wide breast cancer dragon boat network. We acquired our first dragon boat in 2011 and began to develop dragon boat paddling in the Edinburgh area.

We usually paddle on Sundays during spring summer and autumn and we welcome everyone who would like to try this amazing sport. This means anyone who has had a cancer diagnosis, their family and friends, and anyone interested in supporting the team.

Come and have a go!
Your first paddle is free!

Contact us and we can arrange for you to come out on the water with us.

Pricing / Charges

For customers wishing to stay on site all year round, the most cost effective type of contract is an 'annual berth', which includes one launch within the contract dates.

Please note anyone leaving during the contract term will be subject to the appropriate monthly charges for the period that they have been contracted to. Please ensure you read and fully understand the terms and conditions you are required to comply with on signing your contract. These are available online at www.portedgar.co.uk or a copy can be found on display in the Marina office.

Prices are correct at the time of going to print, however we reserve the right to make changes at any time. Customers are advised to contact the Marina Office to confirm all prices and charges.

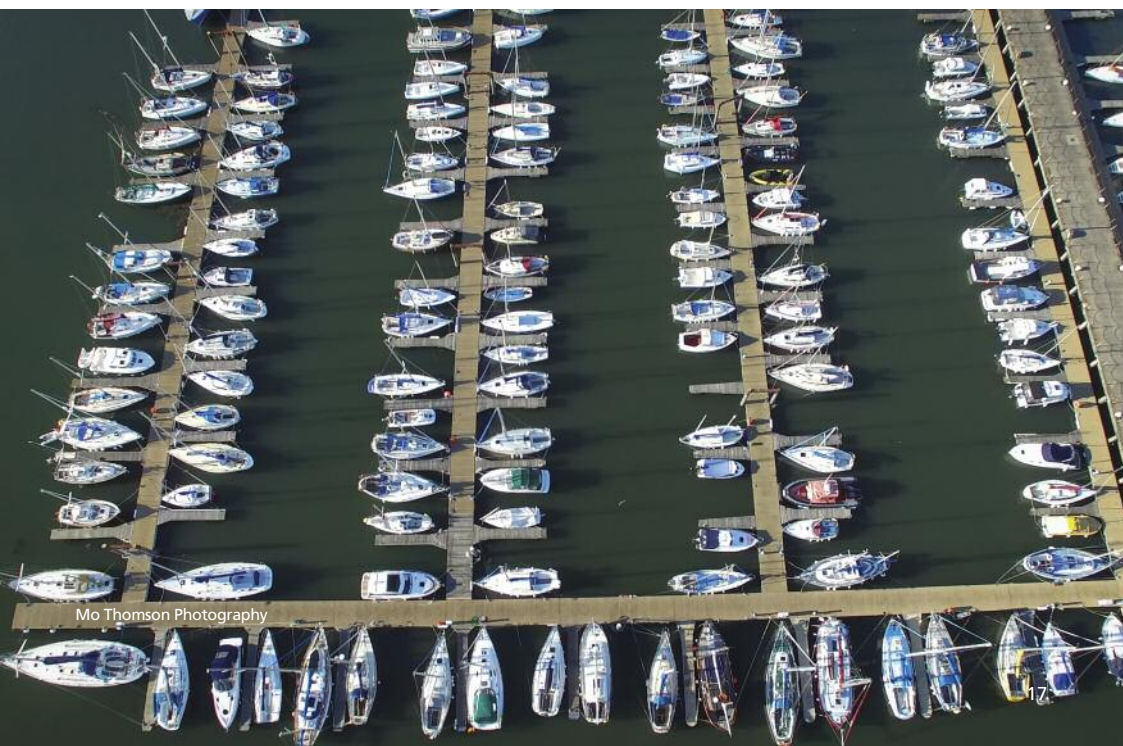

VAT is charged at the standard rate.

Please Note

Fees are due in advance.

Please submit you applications in time for renewal dates and pay fees within the time limit specified.

Our Marina facilities are checked and maintained regularly but should you notice anything you think we should be aware of then please bring it to the attention of a member of staff.
